

Remarks

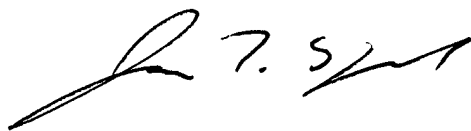

This is a complete response to the Office Action of November 5, 2004.

Paragraph 1 on page 2 of the Office Action objected to the disclosure due to several typographical errors and errors in some the reference numerals. As advised by the examiner, applicant has thoroughly checked the disclosure for errors and corrected all errors pointed out by the examiner and others found by applicant. All corrected errors were typographical; no new matter was added to the disclosure.

Paragraph 2 on page 2 of the Office Action objected to claim 19 for being of improper form; namely, claim 19 was written as a method claim depending from apparatus claim 7. As noted by the examiner, claim 19 should depend from claim 18. This typographical error in claim 19 is accordingly corrected by this amendment.

Accordingly, an early Notice of Allowance is earnestly solicited.

Respectfully submitted,

A handwritten signature in black ink, appearing to read "J. Shepherd", is written over the printed name.
